

Dear Parents, Students and Community Members,

During this difficult time, we expect that many of our students will be experiencing additional stress and worry due to the changing school environment. We would like to express that we are extending our counselors availability to you and your students. Counselors will still be in school during our regular school hours throughout the shutdown until further notice. Mrs. DeMerchant and Mr. McHatten will be in the office should you need assistance or have questions of any nature during this time away from school. You can still reach us by phone, please call 207-435-3481 or email at ldemerchant@sad32.org and lmchatten@sad32.org. It is my hope that we can continue to work together as a community to support our students in every way possible.

Yours in Education,

Joel Hall, Principal
