

To Ashland District School Parents, Guardians, Students and Staff:

Ashland District School is closely following CDC guidelines as we proceed through this shutdown period. Part of the guidelines, asks us to restrict the public access to the building to very small numbers at any one time. For this reason, **we are not going to be using the same system to pick up materials for the next two weeks. The buses will be delivering the materials house to house starting on Wednesday, March 25 and Thursday, March 26.**

Starting on Wednesday, March 25, the buses will be loaded and depart the school at 8:15am. They will go on their usual bus routes and stop at each house to deliver the hard copy packets for the two weeks starting on Monday, March 30. The packets will be delivered by school staff to each house individually. If you wish to have your packet delivered to another location than your house, please let us know so we can make those arrangements. Please let the house occupants know ahead of time that staff will be stopping in for safety purposes.

There have also been changes to the lunch drop off schedule and pickup points for completed work. The new schedule is as follows starting Wednesday, March 25:

Ashland – Forest View Circle (11:30am – 11:50am)

Portage – Town Hall (12:10pm – 12:30pm)

Frenchville – Pentacostal Church (11:30am – 11:50am)
